I'm sorry for the confusion, but as a text-based AI, I don't have access to your real-time location. However, I can suggest some popular tourist destinations based on major cities. Here are a few:

1. If you're near Denver, you could visit the Rocky Mountains, which offer national forests, parks, and scenic drives.
2. Sacramento residents often visit Lake Tahoe, San Francisco, Wine Country, and Yosemite.
3. Yellowstone National Park has numerous attractions within 50 miles.
4. The Lake George area is known for its attractions, including the Adirondack Mountain scenery and historical sites.
5. Near Dulles International Airport, you can visit the Steven F. Udvar-Hazy Center, which is adjacent to Washington Dulles Airport and serves as a companion site to the National Air and Space Museum in Washington, D.C.
6. If you're near San Francisco, you might want to see redwoods in Muir Woods National Monument or Samuel P. Taylor.
